

# Enhanced Performance Through Video Simulation eLearning

A beverage distributor partnered with Roundtable to create a series of training videos, which we developed into interactive eLearning courses for its warehouse associates.

As a result, the company saw significant improvements in warehouse safety, productivity, and cost of training.

## 50%

Decrease in workers compensation claims since implementation of training videos

## IMPROVED PRODUCTIVITY

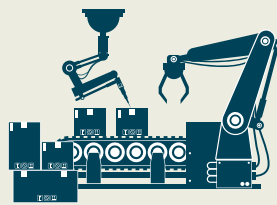

10% Increase in total pallets produced

7% Increase pallets/hour

4% Increase in cases/hour

2% Decrease in total production time

## 33%

REDUCED ASSOCIATE TIME TO PRODUCTIVE FLOOR WORK

12.5% Reduced Cost in Training
